SHOE HORN

Long handled (26") metal device with curved end used to help get shoe ends on - so you don't have to bend over.

STOCKING AID

Plastic gutter curved shape end with long ties. Used to help slide a sock or stocking on - so you don't have to bend over.

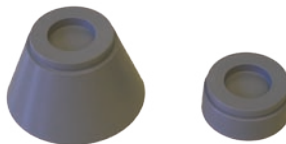

STANDARD REACHER

Lightweight aluminium reacher adds length to client's arms so picking up objects doesn't have to include bending or stretching. Available in two sizes - 26.5" and 32".

TRANSFER BOARD

General transfer board used to bridge the gap between two surfaces to allow for a side slide transfer. Available in different lengths, and with or without a cut-out for a wheel making transfer from chair to chair easier. Maximum weight capacity 110kg.

BED BLOCK RAISERS

Placed on the floor under the legs of lounge chairs or beds to raise furniture. Available in two sizes - 4cm and 10cm. Grey colour, round or cone shape.

OBUS FORME BACK SUPPORT

The Obus Forme is a foam back support for the relief and prevention of back discomfort. Highly effective in relieving back pain associated with conditions such as herniated disc, swayback due to bad posture or pregnancy, tension and muscle spasm, osteoarthritis, etc. The frame is impact resistant polycarbonate, biomechanically moulded, core is three grades of high-resilient urethane foam, and fabric is open weave, non-allergenic brushed nylon.

PEDAL EXERCISER

Chrome plated steel pedal exerciser with plastic foot straps. Resistance is changed by turning hand wheel on top of exerciser. Easy to disassemble - no tools required.

CLOTHING PROTECTOR

Full length 90cm protectors in 4 designs. Highly absorbent with impermeable backing. Adjustable snap closure. Smaller terry towelling protectors available with or without waterproof backing.

DRYCARE:

ABSORBENT CHAIR PADS

Polyester surface allows fluid to pass quickly into the soaker layer via a capillary action leaving the user warm and dry. Non-slip waterproof backing helps keep the chair pad in place.

ABSORBENT BATH MATS

The bath mats create a non slip surface and are easily washed and dried. Different sizes in blue tartan.

BED PAN

Heavy duty plastic and can be used in most commode chairs.

URINAL SLIPPER PAN

Polypropylene, auto-clavable, 32cm x 24cm.

SPILL PROOF URINAL

Spill proof up to 500ml.

STANDARD URINAL MALE AND FEMALE

Clear standard urinal. Available for male and female use.
