## BATH SPONGE

A long handled item with round padded sponge on the end for bathing. Ideal for clients who find bending down to wash lower limbs difficult.

## ESSENTIAL BATH CLEANSING WASHCLOTHS

Ultra soft pre-moistened full body disposable washcloths. Thick and durable, gentle, hypoallergenic and non-irritating. Nourish and soften skin with aloe and vitamin E. Re-sealable package. Cloths can be warmed in microwave. Ideal for those who find bathing difficult. Fragrance free.

## COMFORT SHIELD PERINEAL CARE WASHCLOTHS

Treats skin and protects with 3% dimethicone. Relieves minor skin irritation due to incontinence. One step clean up, moisturiser, deoderiser and skin protection barrier. Helps to seal out wetness.

## COMFORT HAIR - RINSE FREE SHAMPOO CAP

Rinse free shampoo and conditioner. Comfort Hair cleans and softens hair without mess or the worry of bathing a fragile patient. Comfortable, fabric lined cap removes EEG gel, blood and iodine. Warms in microwave for comfort.

## TOOTHETE ORAL CARE ORAL SWABS SUCTION SWAB BITE BLOCKS

Oral swabs remove debris and stimulate oral tissue. Gentle foam head with ridges. They clean and refresh. Available untreated or with sodium bicarbonate to chemically break up thickened ropey saliva and deoderise the mouth. Suction swabs connect to suction lines to remove debris and secretions. Thumb port allows for easy suction control. Bite blocks are a safe and easy way of holding the mouth open during oral care.

## TOOTHETE MOUTH MOISTURISER

Hydrates the lips and oral tissue. Water based formula with vitamin E and coconut oil.
